## Message from PASTOR MARK

I don't know about you, but fall is my favorite time of the year. I just love the cool weather, parades, colors of the leaves, and sporting events that get started during this season. It also brings back fond memories from last year of becoming a part of this church family for the first time. We had no idea what was in store for us in our first year together, but we are so thankful to be at this church. There is no other church I would rather have gone through this pandemic with, side by side, than right here. I am humbled and grateful to be a part of this church and to labor alongside with you.

There is no church manual for many of the decisions we had to make, but we leaned on a lot of counsel from godly leaders and sought the Lord's guidance and direction in prayer daily. I want to thank you for your patience and grace during this last year as we made adjustments and changes to help better minister to you and reach our community. Despite this Covid-19, the gospel has never been halted, but has advanced during this time. I believe this time has also grown our character and perseverance as a church as we continue to Love God, love others, and make fully devoted followers of Christ. God has even greater things in the days ahead!

*"Not only so, but we also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope." -Romans 5:3-4*

### WHO'S YOUR ONE TOUR
